GRACE EDWARDS

A resident of Easton Avenue New Brunswick
Relative of Stryker's

About 10.30 Saturday morning, September 16, Raymond Schneider called at house on Easton Avenue about 500 yards from De Russeys Lane and asked if someone would telephone the New Brunswick Police that he had found two bodies. Pearl Bahmer was with him. Officers Curran and Carrigan came up and Schneider accompanied them to scene, Mr. Stryker, Miss Edwards and Pearl Bahmer following in about five minutes. The bodies were in perfect order on their backs with a scarf over the woman's face and a panama hat over the man's. There were papers beside Mr. Hall and a package of letters between the bodies. Did not notice any cards. The woman's dress was very smooth with the skirt tucked in on the side as if placed there.
